## DOLPHIN SURFACE MOUNTED BIN FLAP

- > Superior quality and timeless design for prestigious washrooms
- > Easy-care 18/10 chrome nickel stainless steel
- > Satin finish, welded corners – no sharp edges
- > Self closing flap
- > Available in polished stainless steel or plastic powder coated to a colour of your choice
- > Principally designed for a horizontal application but also works equally well in a vertical application
- > Unique weighted flap design negates the need to sprung loading so therefore never weakening or breaking over time
